Portfolio: fonsosolis.github.io

Advanced Mechatronics Engineering student with hands-on experience in the medical device sector with process improvement, quality systems, and data analysis within a regulated manufacturing environment. Strong analytical mindset with exposure to real operational KPIs, audit-driven documentation and structured problem-solving.

WORK EXPERIENCE

AI & Process Automation Quality Intern – ICU Medical

APRIL 2026 – PRESENT

- Built a Python tool that turns a raw Excel export into a searchable database, replacing manual lookups across thousands of records with instant search and comparison.
- Built two Python tools for manufacturing quality — one automating DPM calculations and sampling-plan recommendations from Oracle data, the other auto-classifying complaint investigations by status, failure mode, and root cause.
- Designed AI agents in Copilot Studio and AI-assisted training videos to support quality review and SCAR process standardization.
- Led an internal AI workshop on practical applications and process-improvement opportunities.

Treatment Quality Management Intern – Align Technology

NOVEMBER 2025 – APRIL 2026

- Analyzed treatment and customer feedback using Excel and Power BI, supporting quality decisions and process improvement.
- Monitored KPIs, workload, backlog aging, and priority levels; conducted time studies to identify improvement opportunities and potential operational issues.
- Supported SOPs, SIPOCs, flowcharts, FMEAs, and root cause analyses for ISO 9001 audits and quality system activities.

SKILLS

- Microsoft Office, Power BI, Excel, Python
- Circuit Design (MATLAB, Multisim, Tinkercad, Proteus)
- AutoCAD, Inventor & Revit
- Certified ScrumMaster (2026)
- Lean Six Sigma Yellow Belt (2026)
- CCNA Module 1 – Introduction to Networks (Cisco)
- Finanzas Basicas (Certificado, 2026)

EDUCATION

- Mechatronics Engineering – Fidélitas University (2023 – Present)
- Colegio Metodista (2016-2020)
- Leadership Program – Renmin University, Beijing, China (2019)

LANGUAGES

- Spanish (Native)
- English (C1)
- German (B2)
- French (B1)
